When did the boy start to worry?

When did he start to always think about the worst scenario?

A few years ago, like every other day, he headed home after he finished working.

Lightning fell on the tree near a deserted house. It had been deserted for a long time.

He thought that it struck the tree next to him.

You never know what will happen to anybody. That road was not a road which the boy walked often.

Please help me.

Somebody please... Save me!

Luckily, the boy's friend discovered him.

But it was after a whole day.

And...

This has been happening after I met that peddler...

I keep dreaming about the same things. What has been imprinted on my mind...

You wanted Hover, the last of souvenirs which you're going to bring back

Hahn

You guys...

Do you think we're playing around? This is business. A business

Everything fine

Yeah. Business, man!

The groom too showed me to Jemaea in some place called Lauca's high village.

Hover can I bring shroud too, you like??

But didn't Hover come with you?

Ah.

Mm.

We began imagining herself as dead over there.

Ah.....

Dead

Dead

Honestly

I don't think it's going to work.

But it's not too late, so let's go together.

Ahh~ I don't want to. Buy me some souvenirs. Something yummy if you can.

The green tea showed us

Look, Hoover...

You should try to change.

That accident before was something that shouldn't have happened. You were really unlucky.

But are you going to be a shepherd for the rest of your life?

You may have lost one arm, but it's really horrible that you live like this.

This trade happened because we worked together, and I don't want to be the only one who takes the profit...

Look, you're really sorry...

When you come back, I'll think about it.

When I got it was like every day rainy? Every day?

You're just saying that again.

The ending of you can see in the future.

Mm.

We're leaving.

The carriage got loaded fully with items.

Goodbye!

Goodbye! If you want to see me again, be patient and wait for me~

They set out from the village with a lively spirit...

Hahn

Hahn

Brat! come very soon back, Ya hear?

Goodbye!

Hahn

Hahaha, you want our some souvenirs. Something yummy if you can.

Have a great journey

Hahn

Only the boy's heart who couldn't join their group was heavy.

Look, Hoover...

You should try to change.

Oh, it's that guy with one arm

Hey, my mom said that you shouldn't talk like that.

It was lucky for him to not lose both arms...

You kids!

Hahahn

Ryoshi!

Hey, where did you get that?

I'm not going to give it to you!

I don't want you to give it to me.

I'm not going to give it to you one second!

The carriage shop at the corner of our village?

Hey, get in.

Is it that pebble?

He must have chosen a spot to sell things professionally.

I threw the pipe at him and run away.

It's to share your luck with other people.

How can something like that work? Even if it's true, I can't use something like that...

No, but...
